

HUNTER VALLEY GRAMMAR SCHOOL

2017 FIJI INTERNATIONAL NETBALL FESTIVAL

Expressions of Interest

Dear Parent and/ or Guardian,

The School is seeking expressions of interest for the proposed overseas tour to Fiji. Before the School can officially commit to the tour, we would like to determine the number of students that are interested in attending.

The school would like to take 2 teams at this point. Once the level of interest is confirmed, more detailed information will be provided to parents and guardians about the tour, including a full itinerary and payment options. At this point we have an accurate estimate of the cost between \$2350-\$2500 which is all inclusive of flights, game fees, all meals, transport and accommodation.

Please go to the school website under overseas trips to view the itinerary and a copy of the expression of interest. The trip is aimed at providing a sporting and culturally rich experience for our girls.

Please note, that your daughter may be excluded from attending the tour if there is an outstanding debt associated with the school or if concerns are raised in relation to your child's recent behaviour.

If your daughter would like to attend the 2017 Fiji International Netball Festival, please complete the expression of interest section below and return it to Amanda Osmond by Thursday 25th May, 2017.

Yours Sincerely,

Amanda Osmond
Tour Coordinator

I would like my daughter to attend the HVGS 2017 Fiji Netball Tour. I am aware that my daughter may be excluded from attending the tour where there is an outstanding debt with the school or behavioural issues are identified.

I understand that the 20% deposit is due on the 1st June, 2017.
