While some students may have high musical potential based on their performance in the past, it does not mean that they will perform to that level on the day. The Music Scholarship Audition in June is designed to test the performance of the students. The School has to use these test results as its main criteria for selection of students for the award of Scholarships.

Value of Music Scholarships

The value of Scholarships may vary. Scholarships take the form of a remission in fees from 25%, 50%, or 75% depending on results. Scholarships are only available to Australian Citizens and Permanent Residents. The School reserves the right to withhold a Scholarship if there are no students of sufficient merit. The School's decision on these matters is final.

Length of Music Scholarships

Music Scholarships are subject to annual review by the School. Each student's progress, performance and commitment throughout the year will be reviewed at the end of each year. Scholarship students are expected to be fully involved in the life of the School. Should a student's performance or commitment fall below reasonable expectations, the Scholarship may be either reduced or withdrawn at the discretion of the School. However, it is expected that a student's Scholarship will continue to the end of Year 12.

Music Commitment

Music Scholarships are conditional upon the student's involvement in at least two extra-curricular performance groups e.g. Orchestra or choir or ensemble work. Scholarship students will also be expected to perform at least once each Term at assembly and at School functions as a part of the School's performance program.

MUSIC SCHOLARSHIP HOLDERS ENTERING YEARS 9-11 ARE REQUIRED TO STUDY MUSIC AS AN ELECTIVE SUBJECT IN YEARS 9, 10, 11 AND 12.

WITHDRAWAL FROM ELECTIVE MUSIC WILL RESULT IN THE FORFEIT OF A MUSIC SCHOLARSHIP.
